EDITORIAL

The month of July commenced with a significant happening for the Company. Balmer Lawrie signed the MOU for the year 2016-17 with Ministry of Petroleum and Natural Gas, Government of India on 12th July 2016. Let's work hard towards achieving the targets effectively and help our Company scale greater heights.

The Government of India recently completed two years in office successfully. Hon'ble Prime Minister, Shri Narendra Modi has driven various initiatives across different areas with great aplomb, with a view to transform our country into a progressive nation that is geared up to compete with the "bests" in the world. The government's portal on "Transforming India" has consistently been highlighting the various initiatives taken by the government to enhance economic growth and help "transform" India. The portal transformingindia.mygov.in was launched in March with the purpose of presenting a periodic report card of the government. The government has highlighted its achievements via its @mygovindia Twitter handle. Some of the impressive achievements (#TransformingIndia) are:

- ❖ Building Roads, Building India (A record length of 6,029 kms of highways constructed in 2015-16)
- ❖ Reformed Governance Mechanisms (The estimated growth forecasted for the current fiscal year is 7.75%. More than 250 infrastructure projects are running on time and 7 projects are running on schedule. Number of delayed projects have been reduced by 9%.)
- ❖ 15 FDI proposals approved in sectors like Manufacturing, Defence etc.
- ❖ Growing Industrial Production (Government policies are driving the economy ahead. Economy is on the upswing with key sectors witnessing robust growth.)
- ❖ On World Health Day, many new initiatives and Apps were launched. Check them out on <https://transformingindia.mygov.in/all-infographics/>
- ❖ #StandUpIndia (Creating an empowered India by promoting entrepreneurship among backward sections and women. The trinity of StandUpIndia, Pradhan Mantri Mudra Yojana and Pradhan Mantri Jan Dhan Yojana has been received very well.)
- ❖ Electricity to every village - 7008 un-electrified villages electrified
- ❖ Subsidised LPG connections to more than 2 crore households under the "Ujjwala" scheme
- ❖ Give it up campaign which made more than 1 crore Indian give up their LPG subsidies

The World celebrated the second International Day of Yoga (IDY) on 21st June 2016. Hon'ble Prime Minister, Shri Narendra Modi took part in the Yoga Day celebration in Chandigarh and urged people to integrate yoga in their lives. Shri Modi said that Yoga is not about what one will get, it is about what one can give up. In this issue of BLOOM we bring you glimpses of the activities held on IDY across units/establishments pan India. As promised, we also bring you glimpses of the World Environment Day programs held across units and establishments, in this issue. BLOOM congratulates all the employees who were promoted recently. As always, do not hesitate to send your contribution, suggestion or feedback, if any, to mukhopadhyay.mohar@balmerlawrie.com.

Balmer Lawrie signed the Memorandum of Understanding (MoU) for 2016-17 with the Ministry of Petroleum & Natural Gas (MoPNG) on 12th July, 2016. The MoU was signed by Mr. K.D Tripathi, Secretary, MoPNG and Mr. Prabal Basu, C&MD, in the presence of Senior Officials of the Ministry and Balmer Lawrie. The MoU targets include turnover and operating profit with focus on capacity utilisation, improving efficiency, technology upgradation, Research and Development, Capital Expenditure and Return on Investment.

The Top Management Meet was held in Namchi on 4th & 5th June 2016. During the Meet, the Directors reviewed business performance and planned for the year ahead.

CFS, Chennai won the Best Unit Award in Logistics Infrastructure for the year 2014-15. The award was handed over to the team by Mr. K Swaminathan, Director [Service Business]. During the financial year, the Unit set a commendable benchmark for itself by handling 54923 TEUs, which was the highest ever in the location and also the highest among other units during the year. The team also achieved all-round growth in both Turnover (32.46%) and Net Profit (45%) during the year. Congratulations!

Ms. Sandhya Malik, Head [Travel Services], T&V was proud to receive an appreciation letter, dated 20th June 2016, from Mr. Peeyush Pandey, Inspector General, Special Protection Group (SPG) - Cabinet Secretariat, Government of India. SPG - Cabinet Secretariat has been utilising the services of Balmer Lawrie (BL) for international ticketing of SPG teams being deployed at various foreign destinations. The journey period for such deployments could be highly tiresome and inconvenient if proper planning was not done for route selection. Sincere involvement of BL in selection of routes and connecting flights, based on the deployment of SPG teams at multiple places even in very odd hours, was highly appreciated. On some occasions there were requests for booking tickets and re-scheduling/re-routing of tickets at short notices. In all such cases, the deployment of the SPG team would not have been possible, had there been delay in assistance from our Company. The Ticketing team always rose to the occasion and provided wholehearted support to the SPG. A special mention was made of Ms. Divya Rastogi, Ticketing In-charge of BL for SPG. On behalf of SPG, Mr. Pandey conveyed his appreciation to BL and Ms. Rastogi in particular for the co-operation received. BL shall continue to service the SPG, in the same way, in the future as well.

Balmer Lawrie won the Express Intelligent Enterprise Award for the year 2015-16 (Category - Enterprise Applications), which was given away by Indian Express at the Technology Senate held in Kochi from 9th to 12th June 2016. The Express Intelligent Enterprise Awards are given away to Indian enterprises or Indian subsidiaries of MNCs that demonstrate innovative use of a particular technology or a combination of technologies for distinct business benefit. This includes deploying a completely new solution or an innovative use of an existing technology to gain a competitive edge, improve operations, become more responsive to customers and partners or, simply, to add to the top or bottom line. Mr. Abhishek Agarwal, CIO was handed over the award in our Corporate Office at Kolkata as he was unable to attend the function in Kochi.

A new kettle was inaugurated in the Ester Plant of Greases & Lubricants, Kolkata on 20th May 2016.

A tree plantation programme was organised at IP, Navi Mumbai during the visit of Mr. D Sothi Selvam, Director [Manufacturing Businesses] on 1st July 2016. Incidentally this day is observed as Maharashtra Agriculture Day.

A national level seminar "Army's Fuelling Needs: Future Outlook" was organized by the Army on 29th June 2016 at the Manekshaw Centre, New Delhi. The Indian Defence is an extremely valuable and longtime customer of Balmer Lawrie and this seminar was a good opportunity to brand our products and services to the stakeholders in this customer segment. Balmer Lawrie executives representing SBUs: G&L, IP, T&V and Logistics participated in the seminar and a stall was also put up to showcase our products and services.

An orientation and induction program was organised for Area Sales Coordinators (ASCs) of Western Region by the Retail Marketing Team - WR in G&L, Silvassa on 6th & 7th June, 2016. The training program was well received and all the ASCs appreciated the faculty, our manufacturing facility and the technical inputs given by the plant personnel.

In continuation of the Technical Training Program on Lubrication & Lubricants (Level 1) for the G&L Team, the session for the 3rd batch was held on 13th & 14th June, 2016 in the Balmer Lawrie Training Centre at Kolkata. It was attended by twenty two people representing SBU:G&L across regions. The program commenced with an address from Mr. Sreejit Banerjee, COO (G&L).

A firefighting training for Security Guards at Manali, Chennai was organised on 26th June 2016.

A health awareness session for women employees in the Corporate Office was organized in the Balmer Lawrie Training Centre at Kolkata. The programme was organized in association with Bhagirathi Neotia Women & Child Care Centre, Kolkata. Dr. Somajita Chakraborty, a senior gynecologist addressed the participants on women's health related issues and nutrition management. Seen along is Dr. Abhirup Maulik, Medical Advisor, Balmer Lawrie.

An eye camp was organized in association with GKB Opticals at the Corporate Office in Kolkata on 27th June 2016. Seventy five employees got checked in the camp.

Mr. Soumik Mukherjee, Asst. Manager [HR], CFS - Kolkata has been a regular trekker and has successfully conquered the Rupin Pass (15,250 feet) on 9th June 2016. Total elevation climbed was 15,675 feet, the highest point of Rupin Pass. Rupin Pass is a high altitude pass in the Himalayan mountain range, in the state of Himachal Pradesh. Next on the cards is *Stok Kangri* (20,182 feet) with an elevation of 6,153 m. It is the highest mountain in the Stok Range of the Himalayas in the Ladakh region of Northwest India.
